

Economic Development

Chair: Curt Binney – Sines, Blakeslee, Madyda, CPAs

Purpose: To provide guidance and direction to Chamber leadership, Lake County, local governments and Central Florida Economic Development officials on issues vital to expanding the economy of South Lake County through the revitalization and growth of existing businesses, creation of new businesses and business recruitment

- Region/County – Promote and support the Metro Orlando and Lake County Economic Development (“Building Bridges for Economic Development in Lake County”) Strategic Plans and Initiatives
- South Lake and West Orange – Take a lead role in promoting and supporting a South Lake/West Orange sector major employment center
- Form a Sports and Fitness Committee taking advantage of our niche strength in this area
- South Lake County – Be the center for supporting business and Economic Development in South Lake County and help influence and support the five cities’ Economic Development plans
- Host a CEO Roundtable discussion with area Executives and business principals
- Work with Public Policy Committee to stay abreast of legislative issues affecting Economic Development in South Lake County and advocate our cause where needed
