Dear South Lake Chamber Members,

Tonight at the Clermont City Council meeting, it was decided that all city buildings, including the Clermont City Center which houses our office, will be closed until March 30, 2020. While we will not be in our office, we as a staff will still be hard at work supporting our members. Additionally, we will be providing updates as they come in through our website and social media platforms.

We encourage you to reach out to us with any questions that you may have through [email](#) or feel free to call our office at 352-394-4191 and leave a voicemail.

Stay well!
