Dear South Lake Chamber Members,

This evening the City of Groveland issued a statement canceling all events and mass gatherings within the city through the end of March. Unfortunately, this will include our monthly Chamber breakfast originally scheduled for March 20. We intend to reschedule our breakfast in Groveland in the coming months.

At this time there are no further cancellations for Chamber events. Please continue to check our website for updates from the city, county and state government. Should you have any questions please feel free to contact the Chamber directly.

Thank you for your understanding.
