Clermont, FL 34711

March 13, 2020

Dear South Lake Chamber Members,

In an abundance of caution the South Lake Chamber of Commerce is postponing all events previously scheduled through April 3, 2020. We are currently working with our event partners and sponsors to reschedule these events and will keep you updated regarding new dates.

Our primary goal at this time to support our businesses and continue to serve as a source of information in the coming weeks. The Chamber homepage will be updated regularly with current information regarding COVID-19 and resources to assist your business as you prepare for the potential impacts of the virus. This page includes important links from Governor DeSantis' office, the Emergency Operations Center, Centers for Disease Control, Florida Department of Health and our partners at the Florida and U.S. Chambers of Commerce and it will be updated regularly.

The South Lake community is resilient and with a little vigilance and proper planning, we will navigate through the coming weeks. Should you have any questions, please do not hesitate to call or email our office.

Stay well!

David B. Colby  
President & CEO
