DIRECT CARE

SIMPILIFIED PRIMARY CARE FOR EMPLOYEES

Affordable healthcare benefit for Employer and Employees

What is **DIRECT CARE**?

A Primary Care services program that can provide **substantial savings** and improved **cost controls** for employers in managing overall health benefit expenses. Provide employees **direct access** to a provider regardless of insurance, pre-existing conditions, age, or illness with same day or next day appointments, and phone access 24/7.

DIRECT CARE is not a replacement for health insurance
