**South Lake High School Construction Academy
Groundbreaking Celebration
Fri, Aug. 26th from 8-9AM
211 Thomas St, Mascotte**

The groundbreaking event will kick off our 3rd annual partnership with the South Lake High School through our Youth Construction Academy program.

Throughout the 2022-2023 school year, select students from the school's Construction Academy will work side by side with Habitat and other construction professionals to learn valuable and employable skills while building a home for a local family in need.

Please RSVP by Aug. 19th to:
